Homestead classification makes your property eligible for a reduced classification rate, and/or a reduced taxable value, or may make you eligible for a Property Tax Refund or to enroll in other programs.

You must own the property and occupy it as your primary residence by no later than December 1 of the current year to receive homestead for taxes payable next year.

How to Apply

Complete the entire application and submit to the assessor within 30 days of establishing homestead, no later than December 15 to be eligible for homestead in the next tax year.

For manufactured homes, you must mail the application by May 29 to be eligible for homestead in the current tax year.

You do not have to reapply for homestead each year. However, the assessor may ask for an updated application at any time.

Each applicant who occupies the property must provide a Social Security number and sign the form. Spouses of the applicants must also provide their Social Security number, even if they do not occupy the property.

What if my property is held under a trust?

If the property is owned by a trust, the grantor of the trust is considered the owner when completing this application. The assessor may ask for additional information about the trust and for a copy of the page of the trust that has the following information:

- Grantors of the trust
- Signatures of the grantors and date of those signatures
